SUMMARY

- Results-driven Software Developer proficient in Java, SQL, and DSA, specializing in Android and web application development, backend integration, and database management.

WORK EXPERIENCE

OIBSIP Infobyte   **Mumbai, MH**
Java Development Intern   *Aug 2025 - Sep 2025*

- Developed a Train Reservation System using Java, Spring Boot & MySQL.
- Implemented backend integration, REST APIs, and database management.
- Utilized GitHub for version control and collaboration.

PROJECT EXPERIENCE

K.P.B. Hinduja College   **Mumbai, MH**
Milap – A Dating App   *Feb 2025 - Jun 2025*

- Android app built with Java & XML, integrated Firebase for authentication, database, and storage.
- Implemented features including profile swiping and real-time chat functionality.
- **Tech Stack:** Java · XML · Firebase (Auth, Realtime DB, Storage)
- **GitHub Repository : Milap**

OIBSIP Infobyte   **Mumbai, MH**
Train Reservation System   *Aug 2025 - Sep 2025*

- Developed a backend system using **Java (Spring Boot)** and **MySQL** that enables users to search trains, book tickets, generate PNRs, and manage reservations with seat inventory and cancellation features.
  Tech Stack: Java, Spring Boot, MySQL (Database)
- **GitHub Repository : Train Reservation System**

Personal Portfolio Website   **Mumbai, MH**
arnabdev.online   *Sep 2025 - Oct 2025*

- Designed and developed a **modern personal portfolio** using **React, Tailwind CSS, Vite, and TypeScript**.
- Implemented features like **dark/light mode toggle, project showcase, skills slider, and contact form integration**.
- Hosted on **Netlify with a custom domain** and connected GitHub for CI/CD deployment.

TECHNICAL SKILLS

Languages: Java, JavaScript, SQL, Tailwind CSS, TypeScript

Framework: React, Spring Boot, Node.js, REST API Development

Databases: MySQL , Firebase Authentication, MongoDB

CoreConcepts: Data Structures & Algorithms, OOP, DBMS, REST API design, SDLC, CI/CD tools

EDUCATION

Yashwantrao Chavan Maharashtra Open University   **Mumbai,MH**
Bachelor of Computer Applications (BCA) with 7.27 CGPA   *Graduation Date: Jun 2025*

CERTIFICATION

Generative AI for Data-Driven Business Decision-Making -
INDIAN INSTITUTE OF MANAGEMENT MUMBAI (Apr 2025)

Programming using Java – Infosys Springboard (Jun 2025)

NoSQL Databases - Infosys Springboard (May 2025)
